Health Services - These remain as previously reported.

Ambulance facilities - As in last year's report.

Water Supplies - On the whole, these are sufficient and of good quality. Where this is not the case, it is receiving the attention of the Sanitary Officer and myself. Samples are being taken regularly.

Sewerage - The Council has long-term plans for both water and sewerage in New Radnor, but these are held up by post-war conditions and government restrictions.

Yours obediently,

R. H. Jobson,
Medical Officer of Health.
